

DEVELOPMENT (in the year 2124)

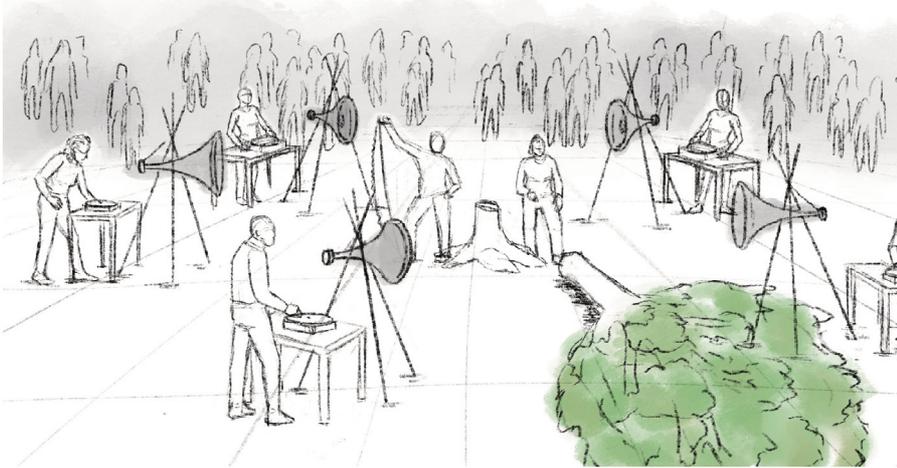

6 In the meantime, the musicians have died and are replaced by DJs. The loudspeakers are borrowed from the cantonal library AR or from the Chuchchepati Orchestra association. The DJs position themselves around the tree and play the individual records according to the score.

Two new gardeners enter the scene and, inspired by the polyphonic soundtrack, start cutting down the tree.

CADENCE

7

As soon as the tree starts to fall there is a general pause for the DJs.

The tree plays a groaning cadence. The wood is to be used sustainably later according to the score.

During the solo of the tree, the DJs flip the vinyl records to the B sides.

CODA

FINE

8

The DJs play a thunderous coda with the B-side, the audience's recording from 2024.

9

Lively applause for the DJs and the two gardeners.

Recapitulation / Variation

If cutting trees is forbidden 2124 and natural shade is indispensable, the saws can be replaced by shovels and another tree can be planted according to the score.
